

CIMB Group is inviting applications for the inaugural **CIMB ASEAN Scholarship 2016**, open to citizens of five ASEAN countries i.e. Malaysia, Indonesia, Singapore, Thailand and Cambodia, which are also CIMB's core operating countries.

The scholarship is for full time undergraduate studies at any reputable university in the world. Applicants should have excellent academic results for their pre-university examinations/assessments (e.g. Sijil Tinggi Pelajaran Malaysia, A-Levels, International Baccalaureate or their equivalent in their respective countries) and have applied for their preferred university (they should have received an unconditional offer at the time of the award).

The CIMB ASEAN Scholarship is a full scholarship covering all academic fees including registration, tuition and examination, book allowance, as well as other expenses such as accommodation, airfare, travel documents and other related expenses.
