

Study Loan Programme

The Foundation offers study loans to underprivileged and needy students undertaking tertiary education in any approved private or public university or college. The study loan which is interest and bond free will cover tuition fees which will be paid directly to the tertiary institutions and may include cost of living expenses

To be eligible for the study loan program, the applicant must:

1. Be a Malaysian citizen;
2. Prove eligibility for financial assistance, as means testing will be strictly applied;
3. Have good academic record and be active in extracurricular activities;
4. Have gained admission into an approved local college or university for a professional or vocational course.
