

Great Eastern Supremacy Scholarship Award

The Great Eastern Supremacy Scholarship Award is one of the leading programmes in the insurance industry. Every year since 1998, we have been the platform where almost a hundred deserving, talented, young Malaysians can pursue their dreams.

To date, Great Eastern Life has awarded over RM11.2 million to 157 recipients who dared to dream, to be different, and took the lead in realising those dreams.

Here, we do not just provide great career opportunities for people; we also nurture, care and develop them from young – even before they begin their journey towards success.
