

# Let's Build Your Future TOGETHER

## WITH THE MREPC SCHOLARSHIP AWARDS

The **Malaysian Rubber Export Promotion Council (MREPC)**, an agency under the Ministry of Plantation Industries and Commodities, facilitates the export of quality rubber products worldwide.

The **MREPC Scholarship Awards** aims to produce elite scholars and retain top talents in the rubber product industry. Come join us now! Take up the challenge, fulfil your aspiration and contribute towards the nation's development.

*I am really grateful as it has really helped to ease my parents' burden and I am able to concentrate on my studies. I am very pleased and grateful to MREPC for going all*

*the way to make all the arrangements for my internship and employment placements.*

– **Jocelyn Chng, Chemical Engineer at Supermax Corporation**

*I can proudly say that the MREPC Scholarship Award motivated me to excel and as a result, I managed to obtain the prestigious 1st Class Honour s Degree in.*

*Polymer Engineering. Also I'm really happy with the arrangements made by MREPC concerning my internship and employment placement – C. Thulasimani Chellon, Polymer Engineer at Kossan Rubber Industries*

*I would recommend the MREPC Scholarship because now as an engineer at Hartalega Sdn Bhd, I find that I am very interested in the rubber product industry as it is*

*growing continuously. I hope to continue working in this field for many more years.- Muhamad Aliff, Engineer at Hartalega Sdn Bhd*
