Through comprehensive training and development, we are looking to develop winners that will have the ability, attitude and confidence to deal with top level decision makers from MNC's, Fortune 1000 and Blue Chip Companies within the region. Your role in Kexxel includes:

- To invite senior level decision makers to join our international events
- Conduct research to build client data base
- Building business contacts via phone
- Achieve sales target

### Requirements

- Ambitious
- Goal and target driven
- High level of Motivation
- Excellent communication skills in English.
- Positive, dynamic attitude
- Candidate must possess at least a Professional Certificate, Diploma, Advanced/Higher/Graduate Diploma, Bachelor's Degree, Post Graduate Diploma, Professional Degree, any field.

### What We Offer:

- Basic salary + Commission & Incentive
- Consulting opportunities with the world's most senior business executives
- Excellent personal development opportunities from us, such as leadership, negotiation, communication, time management & organization skills.
- International Travel Incentives

### About us

Kexxel Group is a leading business intelligence company providing top level business learning & strategic networking platforms to Fortune 1000 & Blue chip companies in Asia, Africa & Middle East Region, through International Business Conferences, Hospitality Management, Corporate Trainings, In House Trainings & International Exhibitions.

We strive to provide our clients with strategic insights that are imperative for them to not only sustain a competitive advantage, but also to emerge as successful global leaders in the corporate world.

We envision ourselves in being forward thinking leaders in inspiring creativity & ingenuity in our clients through our innovative products & services.

With more than a total of 13 years' experience in the event management industry, we constantly pride our-self to expand aggressively in all business verticals.
