

This program is fully funded by Perbadanan Tabung Pembangunan Kemahiran (PTPK) and managed by the Penang Skills Development Centre (PSDC). The objective of this program is to provide candidates with relevant industrial skill sets and competencies in the job market in the Manufacturing industry. Qualified candidates will receive a monthly cash allowance of RM500.00 from PTPK throughout the 3 months training and 3 months job attachment period. The INSEP program is open to all Malaysian graduates below 35 years old who are currently unemployed on a permanent basis. Training will be conducted in Kuala Lumpur.

The next intake will start on [7 December 2016](#) and orientation will be on the [1st of December 2016](#), seats are limited, it's on first come first served basis.

To register please log on to <http://www.psdc.org.my/programs/university-graduates/government-funded-programs/government-insep/programs-offered/>

Please contact me at 017-3526450 if you need further information or have any questions regarding this program.

Thank you.
