Dear Ms. Ida

Re: Participation of Internship Programme

We refer to above matter.

For your information, we're real estate agency who provide **internship in Business Management, Sales and Marketing, Multimedia, Event Management or Public Relation and Entrepreneurship**. Through the internship programme, the student can gain real life working experience and apply their knowledge learnt from courses.

It's our **pleasure to get further details of Career Day** organised by Universiti Tenaga Nasional.

We hope to hear from you soon and work together to make the Internship Programme success.

Thank you.

Yours Sincerely,
Project Xpert Sdn Bhd
