POWERTEK ENERGY
SCHOLARSHIP AWARDS 2013

POWERTEK ENERGY SDN BHD and its affiliates own and operate nine power plants and have investments in four power plants across six countries, namely Malaysia, Egypt, Bangladesh, Pakistan, Sri Lanka and the United Arab Emirates with a total net generating capacity of 3,981 MW and a water desalination capacity of 16 million imperial gallons per day.

The Powertek Energy Scholarship Awards (PESA) is the Group’s CSR initiative funded by its wholly owned subsidiary, Powertek Berhad, to help academically accomplished Malaysian students who require financial assistance to pursue their tertiary education in any discipline at UNITEN.

PESA scholars are also provided with personal development training in the areas of leadership, communication, teamwork and creativity as well as working attachment in various departments within the Group during their study break in the first year.
