As a leading global consulting company that enables clients to accelerate growth and achieve best-in-class positions in growth, innovation and leadership, the Frost & Sullivan APAC Management Associate Program offers you the opportunity to work on local, regional and global initiatives that drive visionary innovation and growth. At Frost & Sullivan, we aim to accelerate growth. Be a part of this growth.

### **FROST & SULLIVAN APAC MANAGEMENT ASSOCIATE PROGRAM Iskandar, Malaysia**

We invite applications from suitably qualified candidates to pursue our intensive 12-month Management Associate Program. Designed to develop next-generation leadership skills, the unique Program leverages Frost & Sullivan's cutting-edge industry research and best practices to provide you with opportunities to hone strategic thinking skills and business knowledge, gain regional exposure and develop in-depth expertise across various business units and functions.

Through active participation and engagement in real-life business scenarios and frequent interaction with key decision-makers and senior leaders throughout the organization, the Program aims to equip candidates with the business foresight and transformative leadership skills to build a foundation as future leaders of Frost & Sullivan Asia-Pacific.

#### **What does it take to qualify?**

We are looking for high-potential individuals with ambition, drive, and a keen passion for creating innovative growth solutions, building relationships with clients and enhancing the value of our services. To be considered for the Program, you should have:

- Postgraduate (MBA/Master's) degree from a reputable educational institution (must be completed prior to the start date), OR  
Bachelor's degree (minimum CGPA of 3.5 and above), with a maximum of 2 years business experience OR  
Internal applications from Frost & Sullivan employees, with exceptional performance records
