

KLK Scholarships

Yayasan KLK, a foundation established by KLK, offers scholarships to high-achieving young Malaysians who are studying or have gained a place at any Malaysian institutions of higher learning. Upon graduation, scholars may be offered the opportunity to work in [KLK or its business units](#).

While undergoing tertiary education, scholars' academic performance is monitored and they are expected to undergo practical training within the Group. Such monitoring is necessary as it ensures only the best talents are subsequently recruited to continue the Group's tradition of leadership excellence.

Criteria / Eligibility

- Must be a Malaysian citizen.
- Good academic results (STPM, A-Levels or equivalent-minimum 2As / Foundation-minimum CGPA of 3.5).
- Good command of English Language, both written and spoken.
- A record of active participation in extracurricular activities.
- Must have a confirmed placement from institution of higher learning.
- Not bonded, holding any other scholarship or receiving assistance from any organisation.
- Be prepared to serve a 3-year bond with the Group at any location upon graduation.

Value of The Scholarship

Successful applicants are provided with annual grant over the minimum duration of their courses as follows:

- Degree
- Private Institutions – RM15,000 per academic year

Preferred Fields of Study

- Mechanical Engineering

Application Process

Please download and complete the [application form](#) and post it, with the relevant documents, to the address below:
